

Short and Soft: Making It Safe

FAA Safety Team Representative and Flight Instructor Byron Danforth will lead a discussion about how to safely perform short and soft field takeoffs and landings. Further discussion will include fuel management and the coming regulatory requirement for equipping aircraft with ADS-B. Don't miss it! Click on the link below and register TODAY.

Directions: I-95 to Augusta. Take Exit 109 and proceed westbound on Rte 202. Follow Rte 202 west to Rt 133 to East Livermore. Look for signs for airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
